CLIMATE CONTROLLED BATTERY ENCLOSURES

Hardcraft's legendary design and fabrication quality, as well as quick-turn delivery, *lead the industry* for electrical enclosure applications.

Hardcraft offers the finest **CLIMATE-CONTROLLED BATTERY ENCLOSURES** for energy storage applications. Designed and manufactured entirely in-house, our comprehensive solutions include numerous proprietary details to improve installation efficiency and enhance operational reliability, including:

- ♦ **Full Customization** — Size, materials, internal racks, and catch trays custom to your application
- ♦ **Thermal Management** — NEMA 4-rated solutions including A/C and heat
- ♦ **Hydrogen Management** — Available hydrogen sensors and integrated hydrogen exhaust systems
- ♦ **Intrusion & Smoke Detection** — Available smoke and intrusion systems with remote monitoring capability
- ♦ **Simple Installation** — Large enclosures available in knock-down construction for easy field installation without cranes

As with all our products, our Climate Controlled Battery Enclosures are fully customizable to your application, including numerous thermal, off-gas, and other configuration options, and are Made In USA with quick turn shipment of 4-8 weeks from order date.

PREMIER DESIGN. PREMIER BUILD.

ALL ENCLOSURES FEATURE:

Full Customization
Expert Engineering Support
USA Fabrication From
Highest Quality Materials
Tight Tolerances
Quick Turn:
Standard Products/
Repeat Orders 4-6 Weeks
Custom Products/
First Orders 6-8 Weeks
Worldwide Delivery

THE EXTENSIVE RANGE OF STANDARD FEATURES INCLUDES:

- ◆ Fabrication from 5052 Aluminum in Configurations Including
 - ◆ Seam-Welded or Knock-Down Construction
 - ◆ Pad-Mount or Pole-Mount Style
 - ◆ NEMA Levels 12, 3/3R, and 4
- ◆ High-Strength TIG-Welded Battery Racks, Fully Welded or Knockdown Construction
- ◆ Pry-Resistant Reinforced Doors
- ◆ Heavy Duty Lifting Eyes
- ◆ Stainless Steel Door Mounting & Latch Hardware
- ◆ Stainless Steel Screws & Other Small Hardware Throughout
- ◆ Brushed or ANSI Gray Powdercoat Finish
- ◆ NEMA 4-Rated Air Conditioning Units
- ◆ Dimensions
 - ◆ Fully Welded Construction up to 12' W x 10' H x 8' D
 - ◆ Modular/Knockdown Construction – Unlimited Size

OPTIONAL FEATURES INCLUDE:

- ◆ Custom Enclosure Sizes To Meet Any Space or Capacity Requirement
- ◆ Mild Steel or Stainless Steel Construction
- ◆ Additional Door Reinforcement For Extreme Intrusion Resistance
- ◆ Adjustable-Height Support Frames For Above-Ground Mounting
- ◆ Hydrogen Sensors with Integrated Exhaust Systems
- ◆ Intrusion & Smoke Sensors with Remote Monitoring Capability
- ◆ Pre-installed Thermal Insulation Panels
- ◆ Custom Hardware Kits for Ease of Installation
